Director of Basketball Organization

Dear Patron,

The Maryland Hoopmasters is one of Maryland's largest Amateur Athletic Union (AAU) basketball organizations, currently offering boys and girls basketball for ages 9 - 17. We are seeking donations and corporate sponsorships for our 2010 spring/summer season. Such contributions would go toward uniforms, equipment, and tournament fees.

As you may know, AAU basketball involves competitive tournament play nationwide. Participation in AAU affords our youth the opportunity to improve their skills; gain experience playing a wide range of highly competitive teams, and is observed by college recruiters early in their basketball careers. The entry fees for AAU tournaments range from \$350 to \$1200 per team per tournament. Needless to say, tournament and travel costs can make participation in the program cost-prohibitive for some of our youth. Our objective is to make this opportunity available to all. Maryland Hoopmasters team members will be involved in various fundraisers to offset some of the costs, however we are also dependent upon donations and sponsorships from companies and organizations such as yours.

With your help, we can be successful in preparing these talented players for the next level of basketball and positioning them for college scholarships. We are a non-profit organization, run entirely by volunteers; therefore, donations in any amount will be appreciated. Please indicate your sponsorship level on the enclosed pledge card and use the postage-paid envelope to return your card and payment to me. All sponsors will be acknowledged for their generous contributions on our website located at www.marylandhoopmasters.org If you have any questions, please feel free to contact me at any time.

With sincere thanks for your consideration,

Thomas Caviness
